

Many fond memories of Jean Klock Park

Editor,

I no longer live in the area, but I grew up in Benton Harbor and graduated from Benton Harbor High School. I have a lot of fond memories of time spent at Jean Klock Park, from childhood through my high school years and as a young adult. It would be a shame to destroy Jean Klock Park. Benton Harbor has too few attractions as it is!

Many of us have grandchildren now. Wouldn't it be wonderful to have a place, such as Jean Klock Park, to take our children and grandchildren to; a place to re-establish family bonds and create memories for the future?
