

Enjoy Klock Park now that fight is over

Posted: Thursday, February 26, 2004 12:00 am

Editor,

Now that the Battle for Jean Klock Park appears over, I hope that all those who fought for or against part of the park's development - Benton Harbor residents and, especially, those who don't live in the city - now will visit and enjoy the city's open-to-all Lake Michigan shoreline.
